The Championship is dedicated to our Junior National Tour Groups for 2017:

These various groups were verily ambassadors for jukskei during their respective tours and we are verily proud of them.

Good luck with the last preparations and safe driving.

SA Skole Kampioenskap

Dit was die sesde jaar wat jukskei deel gevorm het van hierdie inisiatief van SRSA en die Departement Onderwys. Dit is wonderlik om te sien hoe die gehalte jaar na jaar verbeter en Sterkspruit uit die Oos Kaap weer eens hul stempel in die afdeling vir meisies afgedruk het. Monument Hoërskool het ook weereens die seuns afdeling oorheers en vir die vierde jaar as kampioene uit die stryd getree.

SA Akademie Toer

Die toer het in September plaasgevind en hoe bevoorreg was hierdie groep nie om die Wes Kaap te besoek nie. 'n Belewens wat hulle nie gou sal vergeet nie. Hulle neem onder andere deel aan 'n skoledag in Wellington en speel jukskei by Theuns en Mariette op die plaas in die skuur. Hulle het egter hul tydjie goed benut en die Moederstad van hoek tot kant verken en die kersie op die koek was 'n besoek aan die 'cockpit' van die Airbus waarmee hulle teruggevlieg het.

Onder 13 Uitblinkers

Op 9 November kom 'n groep van 11 spelers en 5 beamptes in Pretoria bymekaar vir 'n besoek aan Gaborone, Botswana. Die span onder leiding van Dirk Brits het 'n opvolg besoek aan Botswana gebring vir die aanbied van 'n ontwikkelingsklyniek vir skole of junior spelers met die oog op toekomstige deelname aan toernooie en kampioenskappe in Suid-Afrika.

The Junior Committee for the next three years is:

SA Schools Championship

The sixth year that jukskei has formed a part of this initiative of SRSA and the education department it is wonderful to witness how the standard improves year after year. Sterkspruit in the Eastern Cape again made their mark in the league for girls. Monument High School again ruled the boys league and ended as champions for the fourth year.

SA Academy Tour

The tour took place in September and how honoured was this group to visit the Western Cape. An experience that they will not easily forget. Amongst other things they participated in a school day at Wellington and played jukskei in the barn on Theuns and Mariette's farm. They however utilised their time well, and toured the Mother City from corner to corner. The cherry on the cake was a visit to the "cockpit" of the Airbus that they flew back in.

Under 13 Stars

On 9 November a group of 11 players and 5 officials gathered in Pretoria for a visit to Gaborone, Botswana. The team under the leadership of Dirk Brits made a follow up visit to Botswana for the presentation of a development clinic for schools or junior players with an eye on future participation in tournaments and championships in South Africa.
